Forward Sumner

Diverse Communities – One Vision

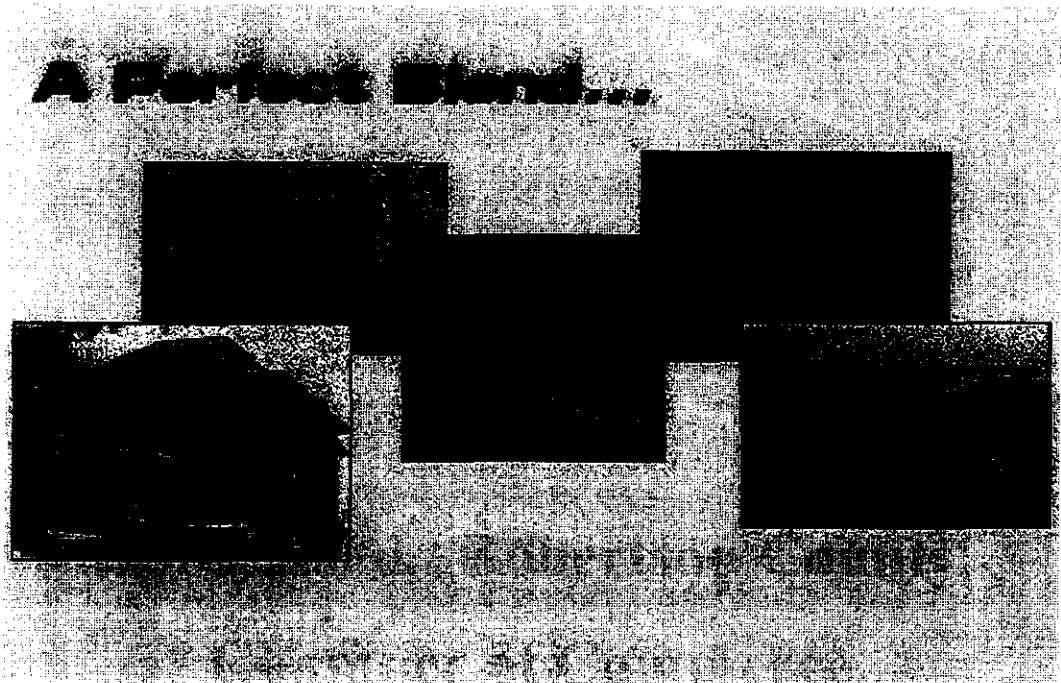

Forward Sumner is an innovative approach to economic development for Sumner County. A true public/private partnership, Forward Sumner represents the first time in Sumner County's rich history that its diverse communities have united in order to stimulate strategic economic growth and development according to a collective vision and shared plan.

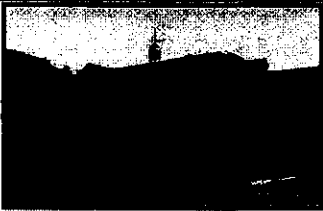

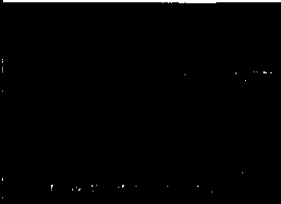

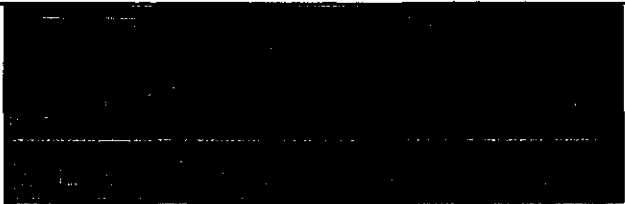

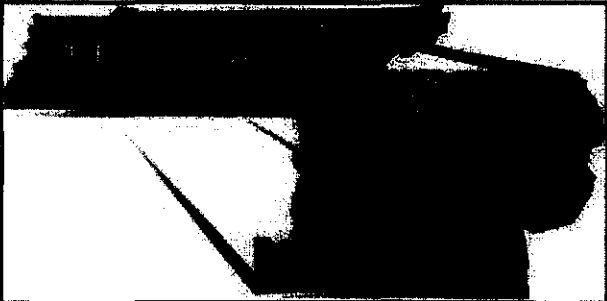

In June 2002, Forward Sumner was organized as a 501(c)(6), not-for-profit economic development shop. Its mission is to identify, coordinate and achieve the shared economic and community development goals and priorities of public and private organizations throughout Sumner County. Led by a proactive Board of Directors comprised of top business and government leaders, Forward Sumner serves to support, enhance and better leverage the economic development activities of its pro-business partners in order to achieve more pronounced and measurable economic results.

The Millersville Fire Department is headed by the Fire Chief and responds to emergencies throughout the city.

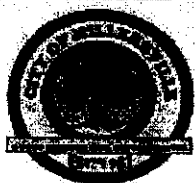

The Department is manned by continually trained volunteers. Emergencies are dispatched from Fire Station One at City Hall and from Fire Station Two on Bethel Road.

The Insurance Services Organization has given the Millersville volunteer Fire Department a Class 6 Rating. This rating has enabled Millersville residents to achieve very significant savings on their fire insurance premiums.

The Fire Chief issues burn permits as required by Open Burn Ordinance (00-361). Signatures are required only once, thereafter, citizens will need to call prior to the next open burning.
